... The church is bidden by God... to offer catechesis her best resources in people and energy, without sparing effort, toil or material means, in order to organize it better and to train qualified personnel. This is no mere human calculation; it is an attitude of faith.

Catechesi Tradendae - John Paul II

Some quotes from past participants:

This has been a great learning experience, a great confidence builder.

It was great to meet others in this position and share stories.

Thank you for providing this wonderful opportunity. I am leaving with SO much wonderful information.

This was well thought out, well planned and super organized.

The best part of this seminar was finding out that you are in the same boat as many others in the field.
